## **LF 24, Application for On-Site Training (Rev. Jun. 2003)**

**Cancelled effective 04-25-07.**

LF 24, Application for On-Site Training (Rev. Jun. 2003) was the tool used for Center employees to register for on-site training and be accountable for attending, once registered. It became obsolete by the use of the Class Registration System (<http://class.larc.nasa.gov>) which has now been replaced by SATERN.
